Date: 3/19/2020

Dear Parents and Families,

We have just received additional recommended guidance on **temperature screening** from the Arkansas Department of Health (ADH) and the Arkansas Department of Human Services (DHS) for Child Care Facilities. Taking these proactive measures will help limit the spread of COVID-19 and safeguard children and families.

Beginning Monday 3/23/2020, we will be implementing the following items:

- Opening Hours will be from 9:00 AM to 5:00 PM until further notice.
- Require pickup and drop-off of children outside of the center (at front door), unless it is determined that there is a legitimate need for the parent to enter our center. All parent door codes will be deactivated. Please ring the door bell.
- No sick child will be permitted in the center. If a child becomes sick while at the center, parents or guardian will be contacted immediately. The sick child will be separated from other children.
- Temperature screening will be performed for anyone entering our facility each day including our staffs. **Please scan your child at home before bringing them to the center.**
- We will deny entry to any person who meets any of the following criteria:
 - A temperature of 100.4°F or above;
 - Signs or symptoms of a respiratory infection, such as a cough, shortness of breath, sore throat, and low-grade fever;
 - In the previous 14 days has had contact with someone with a confirmed diagnosis of COVID-19 or someone who is currently being tested for COVID-19;
 - In the previous 14 days has travelled internationally to countries with widespread, sustained community transmission. For updated information on affected countries

We will continue sending out new updates as we receive from ADH and DHS. Please check in with our website's main page for open/close update (www.abchappykids.com). We appreciate your patience during this time. Hope you have a great and safe weekend.

Sincerely,

ABC Happy Kids Administration
